LEGAL AGREEMENT – Customer agrees to the following

TERMS AND CONDITIONS OF SALE

This Agreement contains the terms and conditions that apply to your purchase from Digion Computers ("Digion Computers" or "We") being the entity named on the invoice that will be provided to you ("Customer") on orders for computer systems, related products, services and support ("products") to be delivered to Customer. By accepting delivery of the products Customer agrees to be bound by and accepts these terms and conditions.

THESE TERMS AND CONDITIONS APPLY, UNLESS (i) CUSTOMER HAS SIGNED A SEPARATE PURCHASE AGREEMENT WITH DIGION COMPUTERS, IN WHICH CASE THE SEPARATE AGREEMENT SHALL GOVERN THE RELATIONSHIP OR (ii) OTHER DIGION COMPUTERS STANDARD TERMS REFER TO AND APPLY TO THE SUPPLY OF PRODUCTS.

QUOTATIONS

Quotations are subject to acceptance within 7 days. Quotations are based on the cost of products and/or services, labor and materials on the date of the quote. If changes occur in cost of materials, labor, or other costs prior to acceptance, or if the Customer requires changes in the shipping subsequent to acceptance, the right is reserved to change the price quoted. Unless otherwise confirmed by us in writing, all prices given are exclusive of any goods and services tax and at the same time that payment is made under these terms, an amount equal to any goods and services tax must also be remitted to Digion Computers together with any duties, insurance, carriage, set off or abatement.

PRICING, SPECIFICATIONS & AVAILABILITY

Prices, specifications, and availability of products are subject to change without notice. Changes will not affect orders that have already been accepted. Due to the volatile nature of the computer market, descriptions may not reflect current technical information. Any typographical, photographic, or specification error in product, pricing, or offers is subject to correction. Published prices do not include shipping and insurance. In the event of stock unavailability, if a Customer has chosen to purchase and wait for stock, the prices are fixed at the time of sale.

PURCHASE AND SALE

The Customer hereby orders from Digion Computers, the product(s) listed on and for the price set out ("the purchase price") in the tax invoice attached to and forming part of these terms and conditions. Digion Computers agrees to sell the product(s), and the Customer agrees to accept delivery of the product(s) upon the terms and conditions contained in this document.

PURCHASE PRICE

Customer shall pay the purchase price plus any goods and services tax in respect of the supply to the Customer being a supply under the New Zealand Goods and Services Tax Act and any applicable shipping and handling fees as specified on the invoice and any sales, or other applicable taxes levied on or measured by such purchase price, or arising from the use of the product(s) and any parts or maintenance supplied, including, without limitation, any additional sales, use, gross receipts, privilege, excise, value added, or personal property taxes unless otherwise specified in writing in this document.

ORDER ACCEPTANCE POLICY

The Customer's receipt of an electronic or other form of order confirmation does not signify our acceptance of any order, nor does it constitute confirmation of our offer to sell. Digion Computers reserves the right at any time after receipt of any order to accept or decline such order for any reason. Digion Computers reserves the right at any time after receipt of any order, without prior notice, to supply less than the quantity ordered. We may require additional verifications or information before accepting any order.

Any typographical, clerical or other error or omission in any sales literature, quotation, price list, acceptance of offer, invoice or other document or information issued by Digion Computers shall be subject to correction without any liability on the part of Digion Computers.

ORDERS FOR COLLECTION

Customers must collect all orders within two weeks of the invoice date.

ORDERS FOR DELIVERY

Delivery of the products shall be made by us to the address for delivery shown in the Order Form. Customer must ensure delivery address is accurate and complete delivered in accordance with Customer's delivery instructions; Customer is responsible for the same. Digion Computers responsibility for everything other than damage due to negligence or due to a manufacturing design or design fault will cease upon delivery.

Digion Computers will do all that is reasonably possible to meet the date given for delivery or, if no date has been agreed, within 30 days of the order date. Digion Computers cannot be held responsible for delays beyond our control. If we are unable to make the delivery date Customer will be contacted. If delivery cannot be made within 30 days of the given delivery date Customer will be entitled to either arrange a revised date or cancel the order and receive a full refund.

If the order is a multiple order and cannot be delivered as a whole order, Customer will be informed and can arrange to have multiple orders delivered on mutually agreeable dates. In this instance delivery will be said to be made in installments. Each delivery shall constitute a separate contract and any failure by us to deliver any one or more of the installments in accordance with these conditions, or any claim by you in respect of any one or more installments will not entitle you to treat the contract as a whole as repudiated.

If Digion Computers fails for any reason within its control to fully/partially deliver the products any reimbursement shall be no more than the price of the products, together with any delivery and/or reasonable return costs.

Products that have been subjected to abuse, misuse, alteration, neglect or unauthorized repair or installation, as determined solely by Digion Computers, are not covered by this warranty. Any alterations, additions, improvements or attachments to the product(s) not authorized in writing by Digion Computers shall be deemed to be a waiver of this warranty by Customer and shall render this warranty null and void. Digion Computers shall return repaired or replaced product(s) to Customer, at its expense, via regular ground service within the Commonwealth of Australia. Shipping charges by all other methods and to all other destinations shall be borne by Customer. The warranty does not extend beyond the original purchase of product(s) from Digion Computers. Any equipment used in conjunction with products purchased from Digion Computers is not covered under this warranty.

Unless the total value of products exceeds \$10,000, Digion Computers warrant for a period of three months after delivery of any computer hardware, the products:

- (a) are of acceptable quality;

- (c) are fit for their purpose in the event that they were supplied to Customer pursuant to Your written and disclosed purpose;
- (d) are unencumbered;
- (e) match any sample or demonstration model represented to the Customer.

This warranty does not apply if Customer buy the products to re-supply or if Customer wish to use the products as part of a business to manufacture or use for something else or to repair or otherwise use on other goods.

Due to the nature of Software and Games, refunds are available if they are unused. The unique license must not have been activated. Refunds on software and games that have been opened, used or activated are available only if the disk is faulty or damaged and such fault or damage is attributed to Digion Computers own act or omission.

DOA POLICY

Any new, unused, unsold, undamaged product that proven to be defective within 14 days of the invoice date shall be deemed as defective-on-arrival ("DOA"), subject to verification by Digion Computers.

DOA products MUST be claimed with Digion Computers within 14 days of the invoice date. Digion Computers reserves the rights to repair, exchange or issue credit to customer on DOA product.

To exercise the right of cancellation, Customer must provide notice to Digion Computers giving details of the products ordered and (where appropriate) their delivery.

Digion Computers will refund or re-credit Customer within 30 days for any sum that has been paid by Customer for the products excluding any direct charges incurred by the Digion Computers.

Customer has a duty of care, under these terms, to take care of the products so that they may be sold again as new, by Digion Computers. Any resulting loss in value for products not kept so that they may be sold again as new may be sought from Customer. Customer agrees to deliver products back to Digion Computers or make the products freely available at the original delivery address, to Digion Computers or his authorized agent, within 7 days of cancellation, for collection on a working day.
